Thankyou for a job well done. Ron + Rob were quick, knowledgeable, polite + respectful of my property i.e. - took shoes off at entrance, + put a "spread-sheet" down to rest the tool caddy on (much appreciated).

Good luck to you in starting up this new company. "Word of mouth" (positive) is the best advertising!

Sincerely.

P.S. You were recommended  
by - school friend  
of my son. They may be playing  
off at an annual golf tournament  
soon.
